The Court held a detention hearing on October 8, 2024, 16 pursuant to 18 U.S.C. § 3142(f)(1), and based upon the reasons for detention stated in the record 17 and as hereafter set forth below, finds: 18 FINDINGS OF FACT AND STATEMENT OF REASONS FOR DETENTION 19 1. the community pursuant to 18 U.S.C. § 3142(e).

- 3. Taken as a whole, the record does not effectively rebut the presumption that no condition or combination of conditions will reasonably assure the appearance of Mr. Morris as required and the safety of the community.
- 4. Mr. Morris poses a risk of nonappearance due to an extensive history of failure to appear for hearings, warrants and revocations of supervision. He also lacks stable employment. Mr. Morris poses a risk of danger due to the nature of the offense, criminal history, noncompliance with supervision, and substance use. Based on these findings, and for the reasons stated on the record, there does not appear to be any condition or combination of conditions that will reasonably assure Mr. Morris's appearance at future court hearings while addressing the danger to other persons or the community.

## IT IS THEREFORE ORDERED:

- (1) Mr. Morris shall be detained pending trial, and committed to the custody of the Attorney General for confinement in a correction facility separate, to the extent practicable, from persons awaiting or serving sentences or being held in custody pending appeal;
